

U. S. Securities and Exchange Commissioners

November 11, 2007

Dear Commissioners,

I, Hollis J. Griffin, have been a member of the Chicago Board of Trade since 1965. I am writing to the Commission to ask that the Commission deny the Chicago Board of Option Exchange's request for the proposed rule change. The CBOE has been trying to run away from her contractual obligations to CBOT members for several years. Their current attempt should be denied and the differences, between the two exchanges, should be settled in a court of law.

Respectfully submitted,

Hollis J. Griffin
